New Delhi, dated: 06/08/2019

Subject- Procurement targets for rice required in connection with public stockholding for food security purposes.

Whereas, the Central Government is of the opinion that it is necessary and expedient to set procurement targets for crops procured at Minimum Support Price (MSP) in connection with public stockholding for food security purposes, especially for meeting the food requirements of urban and rural poor in India;

Now, therefore, in exercise of the power conferred by para 2(c)&(d) of Section 3 of the Essential Commodities Act, 1955 read with section 22 of the National Food Security Act 2013, as amended from time to time, the Central Government hereby notifies the following procurement target in respect of rice for the Kharif Marketing Season (KMS) 2019-20:-

| Crop | Procurement target [Figures in Metric Ton] |
|------|--|
| Rice | 4,16,00000 |

The actual procurement may be less or more than the estimated quantity depending upon the prevailing situation and the need to ensure food security.
